Stewards: Pete & Tina Holt

**PLEASE VOLUNTEER TO BE A STEWARD
YOUR DA NEEDS YOU**

PLEASE READ AND OBSERVE THE FOLLOWING

GUIDELINES THESE ARE FOR THE BENEFIT OF EVERYONE.

ADMINISTRATION:

If you are first to arrive on site, (must have permission from the steward prior to arriving early or a fine may apply) confirm with the owner which field to use and **act as steward** until the appointed one arrives. Fixtures are subject to variation - please check 'Out & About', notices on site and the DA website. If in doubt about a meet, contact the steward before setting out.

FIRE PRECAUTIONS:

The minimum wall-to-wall or awning distance must be 20ft/6m. Please keep a full bucket of water outside your unit - this will ensure an immediate supply of water should a fire break out anywhere on site.

SAFETY:

The speed limit on site is 5 mph, this applies to all forms of transport, including cycles. Please be aware of children playing when driving on site. Parents are reminded that their children are their responsibility at all times.

HYGIENE:

Toilets must only be emptied at a suitable disposal point and must not be cleaned at drinking water taps. Animals must be kept under control on leads not more than 2 meters long and exercised outside the camping area. Any fouling on site must be cleaned up as soon as possible.

RUBBISH:

Rubbish must be taken home from all weekend meets. It **must not** be deposited in bins provided for licensed site campers.

COURTESY:

Respect your steward's authority, he/she is in charge but is a volunteer and out to enjoy the weekend just like you. Respect your neighbours' privacy, the 20ft rule is a minimum for fire considerations where possible allow more. However, where space is restricted, keep to 20ft to ensure there is room for later arrivals.

Where possible, do not pitch your unit directly in front of another.

Please consult the steward before operating a generator, you may be asked to pitch away from other units.

LICENCED SITES:

NO on site facilities are to be used by rally attendees. i.e. shower/toilet block, rubbish bins. Observe all signs and speed limits.
